Special Conditions:

MAINTENANCE ADDRESS

CONDITIONS:

1. This registration applies only to the item described above which has been notified to SafeWork NSW in accordance with the OHS Regulation 2001.
2. This certificate of registration (or a copy) must be kept in the vicinity of the item of plant to which it refers. For mobile plant, the Registration number must be displayed on the item in a prominent location and be of a permanent nature and clearly legible.
3. This Registration is automatically invalidated if the item is altered in any way that is different to the original design specification, or changes the capacity of the item. This does not include routine maintenance, painting or changes equivalent to original design specifications.
4. The Registration Number should be quoted in all correspondence to SafeWork NSW regarding this item. Any queries should be addressed to SafeWork NSW Licensing Unit.
